Who we are

Whether you're living with a life-limiting illness, caring for someone who is, or grieving the death of a loved one, we're here to help.

Ashgate Hospice provides the best possible care and support for people living with a life-limiting illness, both in the hospice and in the community, including the patient's own home. This means we can care for people in the place they want to be.

We understand that life-limiting illnesses affect not only the patient, but those close to them too. At Ashgate, we have a dedicated Supportive Care Team to help support a patient's loved ones through their illness and after their death.

Our specialist services include:

- 

Palliative Care Specialist Nurses
supporting you in your place of choice
- 

Inpatient Unit
round the clock care on our ward
- 

Lymphoedema
improving the symptoms of lymphoedema
- 

Physiotherapy
helping to improve your quality of life
- 

Complementary Therapy
from head massages to aromatherapy
- 

Spiritual Care
finding peace, comfort and hope
- 

Counselling and Therapies
a safe space for you to be heard
- 

Day Services
advice, activities and peer support
- 

Social Work
support for you and your loved ones
- 

Occupational Therapy
helping you maintain your independence

How we are funded

Ashgate Hospice is not an NHS hospice. Less than 30 per cent of our income comes from NHS budgets. It is thanks to the huge generosity of our supporters that we can provide our care and help create special and treasured moments for our patients and their loved ones.

Because of budget constraints, we must focus our support on those patients with the greatest need and who need the most complex care. Unfortunately, that means we can't care for everyone who would benefit from our services, as much as we would like to. **With your support, we can change that.**

Ashgate Hospice Business Club

The Ashgate Business Club unites local, like-minded businesses within the community to support us to be there for families living with a life-limiting illness in North Derbyshire.

Each year the Business Club membership fees will support the direct delivery of our crucial care and support.*

* If the funds raised exceed the amount for the piece of equipment or project for the year, the hospice will decide on how the additional funds should be spent to best deliver our care and support.

As an Ashgate Business Club Member you will:

- pay a £500 yearly membership fee which will directly support patient care
- support Ashgate events and campaigns as and when you can
- promote Ashgate Hospice as your charity or one of them and encourage other businesses, customers, suppliers to do the same.

In return:

- you will be awarded a personalised certificate of membership
- you will be able to use the Ashgate Hospice Business Club logo on your website, business stationery and e-mail signatures
- your business logo will be featured on the Ashgate Hospice website with a link to your website
- we will provide your workforce with access to information, support sessions around life-limiting illnesses and bereavement
- you will have the opportunity to support our local events and campaigns and have early access to exclusive sponsorship packages
- we will help you achieve the aims of your corporate and social responsibilities
- you will be invited to the hospice for an exclusive tour where you will see how your money has made a difference
- you will be invited to an annual thank you gathering along with other Business Club members to celebrate what you as a club has achieved that year.

Our 2023 Goal:

to sign up 30 businesses and raise £15,000

Every year we must replace old equipment and buy items that enable us to care for our patients at the Hospice and at home.

With the help of Ashgate Business Club members we will be able to buy the essential items we need.

For example:

- a rise recliner chair which gives our patients the independence to sit out of bed in comfort

- a specialist pressure relieving mattress which prevents our patients from developing painful pressure sores
- sleep over beds for our Inpatient Unit, so that our patient's loved ones can stay overnight when it matters most
- equipment to send out to our patients homes so that they have what they need to stay at home supported and cared for by our nurses and community teams.

Every single penny that you donate will pay for tangible items like these. We truly hope that you will join a network of like-minded businesses who come together to support Ashgate in this way. Helping us to deliver compassionate care to those living with a life-limiting illness in North Derbyshire.

How to get involved

For just £500 you can be a part of the Ashgate Hospice Business Club.

That's just
£1.37
per day!
